

WEDDINGS AND CIVIL PARTNERSHIPS

HMS President (1918) is moored amidst some of London's most famous landmarks such as St Paul's Cathedral, Tate Modern, the London Eye, the Southbank and the National Theatre. She boasts breathtaking river views which make the perfect backdrop for any wedding reception. Whether your reception is formal or fun, intimate or grand, HMS President is a stunning location for your special day.

We can collect your wedding party at any central London pier, and bring you and your guests by river to our venue.

Our adept & original in-house team are devoted in creating events which are as unique and varied as our clients.

Please use the package on the right as guidance; your day will be planned especially for you - meeting our Head Chef, wine specialist and, if you wish, our innovative florist.
